

DINGBATZ TECHNICAL RIDER 2017

Address:

620 Van Houten Ave, Clifton, New Jersey 07013

CONTACTS:

Booking: anthony@acientertainment.net

Venue Questions: dingbatzbooking@gmail.com; cc anthony@acientertainment.net

LOAD IN:

Load in via side door on Sade St. Load in is 1 hour prior to doors unless advanced with promoter and Dingbatz. Soundcheck as per advance. Drums MUST be struck from the stage after sound check. Dingbatz does not have loaders, Artist must push in/out.

LOAD IN DIFFICULTY:

Easy

OBSTACLES:

5 Steps onto stage.

PARKING:

Parking is drop and go. Clifton is a city, please plan accordingly when driving to the venue as it may take time to find a spot. There are non-metered spots along Van Houten Ave and Sade St (these are the two streets adjacent to the venue). You can block in the garage next to the side entrance, if needed. ***PLEASE ADVANCE BUS / BAND WAGON PARKING.***

MERCHANDISE

Merchandise will be set up along the fence and dry erase board. Tables must be pushed back against the wall due to venue layout (this is needed in case of emergency, as it allows everyone access to the fire exits). **House merch rate is 15% artist sells.**

NOTES

We encourage Artists to share a backline if they are touring together, due to stage dimensions. Local Artists will use house backline. Artists will settle via company check. Have W9 / W8-BEN forms ready at settlement.
